## Subject Index

## A

## AAFP

AAFP, AAP and ACIP release 1997 childhood immunization schedule (*med rep*), January, p. 342

## abnormal uterine bleeding

endometrial biopsy (*article*), April, p. 1731

## acarbose

recent advances in the treatment of type II diabetes mellitus (*article*), February 15, p. 817

## addiction

helping your patients to quit smoking (*article*), March, p. 1207

treatment of alcohol withdrawal (*let*), February 15, p. 786

## ADHD

ADHD: how school psychologists can help (*ed*), February 15, p. 773

evaluation and management of attention-deficit hyperactivity disorder (*article*), February 15, p. 887

optimizing ADHD therapy with sustained-release methylphenidate (*article*), April, p. 1705

## adolescents

AAP issues guidelines for vision screening in infants, children and young adults (*med rep*), January, p. 346

counseling adolescents about

responsible sexual behavior (*let*), June, p. 2606

immunization of adolescents (*article*), January 1997, p. 159

NHLBI issues update on task force report on high blood pressure in children and adolescents (*med rep*), May 1, p. 2340

screening for idiopathic adolescent scoliosis (*let*), March, p. 1073

varicella vaccination guidelines for adolescents and adults (*article*), March, p. 1220

## AIDS

behavioral and psychiatric aspects of HIV infection (*article*), March, p. 1227

new recommendations for prophylaxis after HIV exposure (*article*), February 1, p. 507

preventing perinatal HIV transmission: zidovudine use during pregnancy (*article*), January, p. 171

standardized forms to use in the management of HIV infection (*article*), May 1, p. 2166

## alcohol abuse

management of portal hypertension and esophageal varices in alcoholic cirrhosis (*article*), April, p. 1851

naltrexone in alcohol dependence (*article*), April, p. 1877

## alcohol withdrawal syndrome

treatment of alcohol withdrawal (*let*), February 15, p. 786

## alpha blockers

alpha blockers, diuretics and beta blockers for hypertension (*let*), May 15, p. 2431

## alpha-fetoprotein testing

ACOG issues educational bulletin on maternal serum screening (*med rep*), March, p. 1454

## alternative medicine

different viewpoints on alternative medicine (*let*), May 1, p. 2079

## Alzheimer's disease

comorbid disease in geriatric patients: dementia and depression (*article*), June, p. 2687

early identification of Alzheimer's disease and related dementias (*article*), March, p. 1303

## anemia

microcytic anemia (*article*), May 15, p. 2455

## anesthesia

use of sedation and local anesthesia to prepare children for procedures (*article*), February 15, p. 909

## anesthetic agents

nerve blocks for regional anesthesia of the face (*article*), April, p. 170

using local anesthetics to expel foreign objects in the foot (*let*), March, p. 1073

## angina

cervical angina (*article*), May 1, p. 2024

## ankle injuries

acute ankle injuries: clinical decision rules for radiographs (*article*), June, p. 2721

strengthening exercises and support devices for ankle sprains (*let*), March, p. 1086

## antenatal monitoring

vacuum-assisted vaginal delivery (*article*), May 1, p. 2197

## antibiotics

are we prescribing too many antibiotics? (*ed*), April, p. 1535

resistant pneumococci: protecting patients through judicious use of antibiotics (*article*), April, p. 1647

treating acute bronchitis with azithromycin (*let*), February 1, p. 444

## antidepressants

major depression: assessing the role of new antidepressants (*article*), January, p. 249

## antihypertensive therapy

drug therapy for hypertension (*article*), April, p. 1823

## antimicrobial agents

emerging infections: not just a few needles in the haystack (*ed*), January, p. 36

emerging infectious diseases: a challenge to all (*article*), January, p. 111

## antiviral drugs

famciclovir: a new systemic antiviral agent for herpesvirus infection (*article*), May 15, p. 2501

management of chronic viral hepatitis (*article*), June, p. 2749

## arthritis

WD-40 and arthritic pain: the squeaky joint gets the grease (*let*), April, p. 1584

## ascites

ascites and malignant ovarian neoplasms (*let*), June, p. 2612

## assisted suicide

euthanasia and assisted suicide: a family practice perspective (*med soc*), May 15, p. 2437

physician-assisted suicide: a very personal issue (*ed*), May 15, p. 2421

## asthma

eight key questions to ask when your patient with asthma doesn't get better (*article*), January, p. 183

## athletes

AAP and AAO release statement on protective eyewear for young athletes (*med rep*), February 1, p. 705

## autoimmune bullous disease

autoimmune bullous diseases (*article*), June, p. 2709

## azithromycin

treating acute bronchitis with azithromycin (*let*), February 1, p. 444

## B

## back pain

treatment of occupationally acquired low back pain (*article*), February 1, p. 587

osteoporotic vertebral fractures in postmenopausal women (*article*), March, p. 1315

January through June, 1997

drug therapy for hypertension (*article*), April, p. 1823

## antimicrobial agents

emerging infections: not just a few needles in the haystack (*ed*), January, p. 36

emerging infectious diseases: a challenge to all (*article*), January, p. 111

## antiviral drugs

famciclovir: a new systemic antiviral agent for herpesvirus infection (*article*), May 15, p. 2501

management of chronic viral hepatitis (*article*), June, p. 2749

## arthritis

WD-40 and arthritic pain: the squeaky joint gets the grease (*let*), April, p. 1584

## ascites

ascites and malignant ovarian neoplasms (*let*), June, p. 2612

## assisted suicide

euthanasia and assisted suicide: a family practice perspective (*med soc*), May 15, p. 2437

physician-assisted suicide: a very personal issue (*ed*), May 15, p. 2421

## asthma

eight key questions to ask when your patient with asthma doesn't get better (*article*), January, p. 183

## athletes

AAP and AAO release statement on protective eyewear for young athletes (*med rep*), February 1, p. 705

## autoimmune bullous disease

autoimmune bullous diseases (*article*), June, p. 2709

## azithromycin

treating acute bronchitis with azithromycin (*let*), February 1, p. 444

## B

## back pain

treatment of occupationally acquired low back pain (*article*), February 1, p. 587

osteoporotic vertebral fractures in postmenopausal women (*article*), March, p. 1315

**beta blockers**

alpha blockers, diuretics and beta blockers for hypertension (*let*), May 15, p. 2431

**biopsy**

endometrial biopsy (*article*), April, p. 1731  
fine-needle aspiration: technique and smear preparation (*article*), February 15, p. 839

**bipolar disorder**

expert consensus guidelines are released for the treatment of bipolar disorder (*med rep*), March, p. 1447

**bladder cancer**

advertisement for the Bard BTA test for bladder cancer (*let*), March, p. 1078  
organ-sparing treatment of bladder cancer: an innovative approach (*article*), March, p. 1257

**blood pressure**

drug therapy for hypertension (*article*), April, p. 1823

NHLBI issues update on task force report on high blood pressure in children and adolescents (*med rep*), May 1, p. 2340

secondary hypertension: a practical diagnostic approach (*article*), March, p. 1263

**bone pain**

metastatic disease of the skeleton (*article*), April, p. 1761

**botulinum toxin**

therapeutic uses of botulinum toxin (*article*), February 1, p. 541

**bowel**

diagnosis and treatment of irritable bowel syndrome (*article*), February 15, p. 875

**breast**

evaluation and treatment of gynecomastia (*article*), April, p. 1835

**breast cancer**

controversies in women's health maintenance (*article*), March, p. 1283

**breast feeding**

breast feeding and other aspects of infant nutrition (*let*), February 15, p. 785

**bronchiolitis**

respiratory syncytial virus bronchiolitis (*article*), March, p. 1139

**bronchitis**

treating acute bronchitis with azithromycin (*let*), February 1, p. 444

**C****cancer**

adjuvant therapy for colon and rectal cancer (*article*), May 15, p. 2487

advertisement for the Bard BTA test for bladder cancer (*let*), March, p. 1078

American Gastroenterology Association issues guidelines for colorectal cancer screening (*med rep*), June, p. 2860

chemotherapy in the treatment of non-small cell lung cancer (*article*), May 1, p. 2265

**controversies in women's health**

maintenance (*article*), March, p. 1283  
judging the guidelines for colorectal cancer screening (*ed*), June, p. 2595  
organ-sparing treatment of bladder cancer: an innovative approach (*article*), March, p. 1257

**captopril**

captopril renal scintigraphy in renovascular hypertension (*article*), May 1, p. 2240

**cardiac trauma**

commotio cordis: clinical implications of blunt cardiac trauma (*article*), May 15, p. 2467

**cardiovascular disease**

peripheral edema (*article*), April, p. 1721  
putting preventive cardiology into practice (*ed*), February 1, p. 436  
the challenge of risk reduction therapy for cardiovascular disease (*article*), February 1, p. 491

**cat-scratch disease**

cat-scratch disease and related clinical syndromes (*article*), April, p. 1783

**cervical angina**

cervical angina (*article*), May 1, p. 2262

**chemotherapy**

adjuvant therapy for colon and rectal cancer (*article*), May 15, p. 2487  
chemotherapy in the treatment of non-small cell lung cancer (*article*), May 1, p. 2265

**chest pain**

cervical angina (*article*), May 1, p. 2262

**children**

AAFP, AAP and ACIP release 1997 childhood immunization schedule (*med rep*), January, p. 342  
AAP issues guidelines for vision screening in infants, children and young adults (*med rep*), January, p. 346  
assuring up-to-date immunization of children aged 11 to 12 years (*ed*), January, p. 31

ADHD: how school psychologists can help (*ed*), February 15, p. 773  
evaluation and management of attention-deficit hyperactivity disorder (*article*), February 15, p. 887

interpreting elbow radiographs in children (*article*), March, p. 1278

NHLBI issues update on task force report on high blood pressure in children and adolescents (*med rep*), May 1, p. 2340

optimizing ADHD therapy with sustained-release methylphenidate (*article*), April, p. 1705

use of sedation and local anesthesia to prepare children for procedures (*article*), February 15, p. 909

**cholesterol**

prevention of coronary heart disease through cholesterol reduction (*article*), May 1, p. 2024

**chronic illness**

exercise prescription for chronically ill patients (*article*), May 1, p. 2023

**chronic pain**

treating chronic pain (*article*), March, p. 1151

**circumcision**

complete foreskin retraction during mogen clamp circumcision (*let*), April, p. 1576

use of the Mogen clamp for neonatal circumcision (*let*), January, p. 43

**cirrhosis**

management of portal hypertension and esophageal varices in alcoholic cirrhosis (*article*), April, p. 1851

**clarification**

deep venous thrombosis of the upper extremity (*article*), February 1, p. 533  
necrotizing fasciitis (*article*), April 1996, p. 1691

**clavicle fracture**

management of clavicle fractures (*article*), January, p. 121

**colic**

management of infantile colic (*article*), January, p. 235

**colon cancer**

adjuvant therapy for colon and rectal cancer (*article*), May 15, p. 2487

**colorectal cancer**

American Gastroenterology Association issues guidelines for colorectal cancer screening (*article*), June, p. 2860  
judging the guidelines for colorectal cancer screening (*ed*), June, p. 2595

**commotio cordis**

commotio cordis: clinical implications of blunt cardiac trauma (*article*), May 15, p. 2467

**congestive heart failure**

use of morphine sulfate for acute pulmonary edema (*let*), April, p. 1561

**constipation**

fecal incontinence in children (*article*), May 1, p. 2229

**contraception**

ACOG releases a report on emergency oral contraception (*med rep*), April, p. 1976

**corneal abrasion**

using the pressure patch to treat corneal abrasions (*let*), February 1, p. 442

**corrections**

AAFP, AAP and ACIP release 1997 childhood immunization schedule (*med rep*), January, p. 342

azelaic acid therapy for acne (*article*), December 1996, p. 2457

clinical quiz, October 1996, p. 788

drugs to be used with caution in patients with asthma (*article*), September 1, 1996, p. 952

eczematous dermatitis: a practical review (*article*), September 15, 1996, p. 1249

hysterectomy: indications, alternatives and predictors (article), February 15, p. 827

multiple sclerosis: clinical presentation, diagnosis and treatment (article), September 1, 1996, p. 1306

recognizing uncommon headache syndromes (article), November 15, 1996, p. 2247

treating chronic pain (article), March, p. 1151

**corticosteroids**

ACR recommendations target prevention and treatment of glucocorticoid-induced osteoporosis (med rep), March, p. 1450

safely withdrawing patients from chronic glucocorticoid therapy (article), February 1, p. 521

**counseling**

behavioral and psychiatric aspects of HIV infection (article), March, p. 1227

helping your patients to quit smoking (article), March, p. 1207

**craniosynostosis**

craniosynostosis (article), March, p. 1173

**cross-cultural medicine**

lymphatic filariasis in immigrants from developing countries (article), March, p. 1199

special health considerations in African-American elders (article), March, p. 1243

**D**

**day care**

safety in the day care setting (let), May 1, p. 2086

**deep venous thrombosis**

deep venous thrombosis of the upper extremity (article), February 1, p. 533

**dementia**

comorbid disease in geriatric patients: dementia and depression (article), June, p. 2687

early identification of Alzheimer's disease and related dementias (article), March, p. 1303

**depression**

comorbid disease in geriatric patients: dementia and depression (article), June, p. 2687

major depression: assessing the role of new antidepressants (article), January, p. 249

major depression: selecting safe and effective treatment (article), April, p. 1683

**diabetes insipidus**

evaluation and management of diabetes insipidus (article), May 1, p. 2146

management of diabetes in pregnancy (article), June, p. 2731

**diabetes mellitus**

criteria for gestational diabetes (let), April, p. 1583

management of diabetes in pregnancy (article), June, p. 2731

nomenclature for diabetes (let), March, p. 1070

recent advances in the treatment of type II diabetes mellitus (article), February 15, p. 817

the total contact cast: a method for treating neuropathic diabetic ulcers (article), February 1, p. 394

total contact casting: an underused intervention (ed), February 1, p. 425

**diagnostic imaging**

acute ankle injuries: clinical decision rules for radiographs (article), June, p. 2721

endoscopic ultrasonography: a new diagnostic imaging modality (article), May 1, p. 2219

interpreting elbow radiographs in children (article), March, p. 1278

metastatic disease of the skeleton (article), April, p. 1761

**diarrhea**

sorbitol-based elixirs, diarrhea and enteral tube feeding (let), May 1, p. 2084

**diet**

management of obesity: medical treatment options (article), February 1, p. 551

alpha blockers, diuretics and beta blockers for hypertension (let), May 15, p. 2431

**drug resistance**

are we prescribing too many antibiotics? (ed), April, p. 1535

resistant pneumococci: protecting patients through judicious use of antibiotics (article), April, p. 1647

**dysthymic disorder**

dysthymic disorder in the context of other psychiatric disorders (let), April, p. 1579

**E**

**ear**

Meniere's disease: differential diagnosis and treatment (article), March, p. 1185

**edema**

peripheral edema (article), April, p. 1721

**elbow fracture**

interpreting elbow radiographs in children (article), March, p. 1278

management of radial head fractures (article), May 1, p. 2213

**elderly**

comorbid disease in geriatric patients: dementia and depression (article), June, p. 2687

early identification of Alzheimer's disease and related dementias (article), March, p. 1303

special health considerations in African-American elders (article), March, p. 1243

**elixirs**

sorbitol-based elixirs, diarrhea and enteral tube feeding (let), May 1, p. 2084

**endometrial biopsy**

endometrial biopsy (article), April, p. 1731

**endoscopic ultrasonography**

endoscopic ultrasonography: a new diagnostic imaging modality (article), May 1, p. 2219

**enteral nutrition**

sorbitol-based elixirs, diarrhea and enteral tube feeding (let), May 1, p. 2084

**erectile dysfunction**

American Urological Association issues treatment guidelines for erectile dysfunction (med rep), April, p. 1967

*Escherichia coli* strain 0157:H7

emerging infectious diseases: a challenge to all (article), January, p. 111

**esophagitis**

contemporary medical therapy for gastroesophageal reflux (article), January, p. 205

**euthanasia**

euthanasia and assisted suicide: a family practice perspective (med soc), May 15, p. 2437

**exercise**

exercise prescription for chronically ill patients (article), May 1, p. 2185

**extremity**

challenges of work-related upper extremity disorders (ed), March, p. 1029

deep venous thrombosis of the upper extremity (article), February 1, p. 533

**eye**

AAP issues guidelines for vision screening in infants, children and young adults (med rep), January, p. 346

**eye conditions**

using the pressure patch to treat corneal abrasions (let), February 1, p. 442

**eyewear**

AAP and AAO release statement on protective eyewear for young athletes (med rep), February 1, p. 705

**F**

**face**

evaluation and management of facial fractures (article), June, p. 2675

nerve blocks for regional anesthesia of the face (article), April, p. 1701

**famciclovir**

famciclovir: a new systemic antiviral agent for herpesvirus infection (article), May 15, p. 2501

**family practice**

euthanasia and assisted suicide: a family practice perspective (med soc), May 15, p. 2437

physician-assisted suicide: a very personal issue (ed), May 15, p. 2421

**FDA approvals**

significant FDA approvals in 1996 (FDA), June, p. 2855

**fecal incontinence**

fecal incontinence in children (article), May 1, p. 2229

**filariasis**

lymphatic filariasis in immigrants from developing countries (article), March, p. 1199

**fine-needle aspiration**

fine-needle aspiration: technique and smear preparation (article), February 15, p. 839

**foot problems**

fracture of the os peroneum: an unusual cause of foot pain (*let*), June, p. 2610  
 the painful foot, part I: common forefoot deformities (*article*), April, p. 1866  
 the painful foot, part II: common rearfoot deformities (*article*), May 1, p. 2207  
 using local anesthetics to expel foreign objects in the foot (*let*), March, p. 1073

**foot ulcers**

the total contact cast: a method for treating neuropathic diabetic ulcers (*article*), February 1, p. 394  
 total contact casting: an underused intervention (*ed*), February 1, p. 425

**foreign body**

using local anesthetics to expel foreign objects in the foot (*let*), March, p. 1073  
 using the pressure patch to treat corneal abrasions (*let*), February 1, p. 442

**formularies**

limitations of 'personal formularies' (*let*), June, p. 2604

**fractures**

acute ankle injuries: clinical decision rules for radiographs (*article*), June, p. 2721  
 common overuse running injuries: diagnosis and management (*article*), May 15, p. 2473  
 evaluation and management of facial fractures (*article*), June, p. 2675  
 fracture of the os peroneum: an unusual cause of foot pain (*let*), June, p. 2610  
 interpreting elbow radiographs in children (*article*), March, p. 1278  
 management of clavicle fractures (*article*), January, p. 121  
 management of radial head fractures (*article*), May 1, p. 2213  
 osteoporotic vertebral fractures in postmenopausal women (*article*), March, p. 1315

**G****gastroesophageal reflux**

contemporary medical therapy for gastroesophageal reflux (*article*), January, p. 205

**gastrointestinal disorders**

diagnosis and treatment of irritable bowel syndrome (*article*), February 15, p. 875  
 prophylaxis and treatment of NSAID-induced gastropathy (*article*), March, p. 1323

**genetic testing**

ACOG issues educational bulletin on maternal serum screening (*med rep*), March, p. 1454

**genital warts**

changes in strategies for human papillomavirus genital disease (*ed*), April, p. 1545  
 issues in the management of human papillomavirus genital disease (*article*), April, p. 1813

**gestational diabetes**

criteria for gestational diabetes (*let*), April, p. 1583

management of diabetes in pregnancy (*article*), June, p. 2731

**giardiasis**

sexual transmission of giardiasis (*let*), February 1, p. 442

**gun safety**

gun safety education (*let*), March, p. 1074

**gynecomastia**

evaluation and treatment of gynecomastia (*article*), April, p. 1835

**H****hantavirus**

emerging infectious diseases: a challenge to all (*article*), January, p. 111

**headache**

diagnosis of spontaneous subarachnoid hemorrhage (*article*), January, p. 145

**health maintenance**

recommendations of the U.S. Preventive Services Task Force (*ed*), February 1, p. 426

U.S. Preventive Services Task Force: highlights of the 1996 report (*article*), February 1, p. 567

**heart disease**

prevention of coronary heart disease through cholesterol reduction (*article*), May 1, p. 2024

radionuclide imaging in the evaluation of heart disease (*article*), January, p. 221

the challenge of risk reduction therapy for cardiovascular disease (*article*), February 1, p. 491

**heart failure**

use of morphine sulfate for acute pulmonary edema (*let*), April, p. 1561

**heartburn**

contemporary medical therapy for gastroesophageal reflux (*article*), January, p. 205

**Helicobacter pylori**

treatment strategies for *Helicobacter pylori* infection (*article*), June, p. 2765

**hemorrhage**

diagnosis of spontaneous subarachnoid hemorrhage (*article*), January, p. 145

management of postpartum hemorrhage (*article*), February 1, p. 635

**hemochromatosis**

screening and early detection of hemochromatosis (*let*), February 1, p. 440

**hepatitis**

AAP develops guidelines for hepatitis A vaccine and immune globulin in children (*med rep*), May 15, p. 2535

ACIP issues recommendations for hepatitis A prevention with active or passive immunization (*med rep*), February 15, p. 973

interferon alfa-2b therapy for chronic hepatitis (*let*), May 15, p. 2434

management of chronic viral hepatitis (*article*), June, p. 2749

**herpes zoster**

famciclovir: a new systemic antiviral agent for herpesvirus infection (*article*), May 15, p. 2501

**HIV**

behavioral and psychiatric aspects of HIV infection (*article*), March, p. 1227

HIV databases and flowcharts are useful tools ... but (*ed*), May 1, p. 2027

new recommendations for prophylaxis after HIV exposure (*article*), February 1, p. 507

preventing perinatal HIV transmission: zidovudine use during pregnancy (*article*), January, p. 171

standardized forms to use in the management of HIV infection (*article*), May 1, p. 2166

**hormone replacement therapy**

controversies in women's health maintenance (*article*), March, p. 1283

**human ehrlichioses**

emerging infectious diseases: a challenge to all (*article*), January, p. 111

**human papillomavirus infection**

changes in strategies for human papillomavirus genital disease (*ed*), April, p. 1545

issues in the management of human papillomavirus genital disease (*article*), April, p. 1813

**hypercholesterolemia**

prevention of coronary heart disease through cholesterol reduction (*article*), May 1, p. 2024

**hypertension**

alpha blockers, diuretics and beta blockers for hypertension (*let*), May 15, p. 2431

captotil renal scintigraphy in renovascular hypertension (*article*), May 1, p. 2240

drug therapy for hypertension (*article*), April, p. 1823

management of portal hypertension and esophageal varices in alcoholic cirrhosis (*article*), April, p. 1851

NHLBI issues update on task force report on high blood pressure in children and adolescents (*med rep*), May 1, p. 2340

screening for coarctation of the aorta (*let*), June, p. 2612

secondary hypertension: a practical diagnostic approach (*article*), March, p. 1263

**hysterectomy**

hysterectomy: indications, alternatives and predictors (*article*), February 15, p. 827

hysterectomy: overused or appropriately performed? (*ed*), February 15, p. 774

**hysterosalpingography**

the role of hysterosalpingography in the evaluation of infertility (*article*), February 1, p. 621

I

**immune globulin**

AAP develops guidelines for hepatitis A vaccine and immune globulin in children (*med rep*), May 15, p. 2535

**immunization**

AAFP, AAP and ACIP release 1997 childhood immunization schedule (*med rep*), January, p. 342

AAP develops guidelines for hepatitis A vaccine and immune globulin in children (*med rep*), May 15, p. 2535

ACIP issues recommendations for hepatitis A prevention with active or passive immunization (*med rep*), February 15, p. 973

ACIP issues update on potential adverse events from vaccines (*med rep*), February 1, p. 702

assuring up-to-date immunization of children aged 11 to 12 years (*ed*), January, p. 31

a tale of two polio vaccines: what's best and for whom? (*ed*), March, p. 1048

immunization of adolescents (*article*), January, p. 159

varicella vaccination guidelines for adolescents and adults (*article*), March, p. 1220

**incontinence**

fecal incontinence in children (*article*), May 1, p. 2229

**infants**

AAP issues guidelines for vision screening in infants, children and young adults (*med rep*), January, p. 346

breast feeding and other aspects of infant nutrition (*let*), February 15, p. 785

craniosynostosis (*article*), March, p. 1173

management of infantile colic (*article*), January, p. 235

preventing perinatal HIV transmission: zidovudine use during pregnancy (*article*), January, p. 171

respiratory syncytial virus bronchiolitis (*article*), March, p. 1139

use of the Mogen clamp for neonatal circumcision (*let*), January, p. 43

**infection**

AAP establishes treatment recommendations for invasive pneumococcal infections (*article*), June, p. 2859

an approach to diagnosing the acute sore throat (*article*), January, p. 131

behavioral and psychiatric aspects of HIV infection (*article*), March, p. 1227

cat-scratch disease and related clinical syndromes (*article*), April, p. 1783

changes in strategies for human papillomavirus genital disease (*ed*), April, p. 1545

emerging infections: not just a few needles in the haystack (*ed*), January, p. 36

emerging infectious diseases: a challenge to all (*article*), January, p. 111

famciclovir: a new systemic antiviral agent for herpesvirus infection (*article*), May 15, p. 2501

HIV databases and flowcharts are useful tools ... but (*ed*), May 1, p. 2027

issues in the management of human papillomavirus genital disease (*article*), April, p. 1813

lymphatic filariasis in immigrants from developing countries (*article*), March, p. 1199

new recommendations for prophylaxis after HIV exposure (*article*), February 1, p. 507

pyomyositis without predisposing factors (*let*), April, p. 1579

respiratory syncytial virus bronchiolitis (*article*), March, p. 1139

standardized forms to use in the management of HIV infection (*article*), May 1, p. 2166

treatment strategies for *Helicobacter pylori* infection (*article*), June, p. 2765

**infertility**

endometrial biopsy (*article*), April, p. 1731

the role of hysterosalpingography in the evaluation of infertility (*article*), February 1, p. 621

**ingrown toenail**

nails and nail disorders in children and adults (*article*), May 1, p. 2129

**interferon alfa-2b**

interferon alfa-2b therapy for chronic hepatitis (*let*), May 15, p. 2434

management of chronic viral hepatitis (*article*), June, p. 2749

**intracranial disease**

diagnosis of spontaneous subarachnoid hemorrhage (*article*), January, p. 145

**involuntary muscle contraction**

therapeutic uses of botulinum toxin (*article*), February 1, p. 541

**iron deficiency**

microcytic anemia (*article*), May 15, p. 2455

**irritable bowel syndrome**

diagnosis and treatment of irritable bowel syndrome (*article*), February 15, p. 875

**ischemic stroke**

brain attack: emergency treatment of ischemic stroke (*article*), June, p. 2655

**isosorbide dinitrate**

eccentric dosage regimen for isosorbide dinitrate (*let*), January, p. 52

**J**

**K**

**Kleibauer-Betke test**

Kleibauer-Betke test for pregnant trauma patients (*let*), February 15, p. 781

**L**

**labor**

induction of labor vs. antenatal monitoring in post-term pregnancy (*let*), May 15, p. 2428

vacuum-assisted vaginal delivery (*article*), May 1, p. 2197

**liver disease**

management of portal hypertension and esophageal varices in alcoholic cirrhosis (*article*), April, p. 1851

**low back pain**

treatment of occupationally acquired low back pain (*article*), February 1, p. 587

**lung cancer**

chemotherapy in the treatment of non-small cell lung cancer (*article*), May 1, p. 2265

**lymphatic filariasis**

lymphatic filariasis in immigrants from developing countries (*article*), March, p. 1199

**M**

**malabsorption**

neurologic findings in vitamin E deficiency (*article*), January, p. 197

**mammography**

controversies in women's health

maintenance (*article*), March, p. 1283

high stakes in everyday choices: preventive medicine for women (*ed*), March, p. 1039

mammography interpretation: the BI-RADS method (*ed*), April, p. 1548

NCI and NIH consensus panel issue recommendations on mammography for women ages 40 to 49 (*med rep*), May 15, p. 2536

**maternal serum screening**

ACOG issues educational bulletin on maternal serum screening (*med rep*), March, p. 1454

**Meniere's disease**

Meniere's disease: differential diagnosis and treatment (*article*), March, p. 1185

**menopause**

management of menopause (*article*), April, p. 1667

**mental health**

behavioral and psychiatric aspects of HIV infection (*article*), March, p. 1227

early identification of Alzheimer's disease and related dementias (*article*), March, p. 1303

expert consensus guidelines are released for the treatment of bipolar disorder (*med rep*), March, p. 1447

major depression: assessing the role of new antidepressants (*article*), January, p. 249

major depression: selecting safe and effective treatment (*article*), April, p. 1683

**mental status**

initial management of the patient with altered mental status (*article*), April, p. 1773

**metastatic disease**

metastatic disease of the skeleton (*article*), April, p. 1761

**metformin**

recent advances in the treatment of type II diabetes mellitus (*article*), February 15, p. 817

**methylphenidate**

optimizing ADHD therapy with sustained-release methylphenidate (article), April, p. 1705

**Mogen clamp**

complete foreskin retraction during Mogen clamp circumcision (let), April, p. 1576  
use of the Mogen clamp for neonatal circumcision (let), January, p. 43

**mushroom poisoning**

mushroom poisoning (article), April, p. 1797

**myocardial infarction**

is more rapid diagnosis of heart attack worthwhile? (ed), June, p. 2591  
using serum markers in the early diagnosis of myocardial infarction (article), June, p. 2667

**N****nail disorders**

nails and nail disorders in children and adults (article), May 1, p. 2129

**naltrexone**

naltrexone in alcohol dependence (article), April, p. 1877

**nerve blocks**

nerve blocks for regional anesthesia of the face (article), April, p. 1701

**neurologic deficit**

initial management of the patient with altered mental status (article), April, p. 1773

**nitrates**

eccentric dosage regimen for isosorbide dinitrate (let), January, p. 52

**noradrenergic drugs**

management of obesity: medical treatment options (article), February 1, p. 551

**NSAIDs**

prophylaxis and treatment of NSAID-induced gastropathy (article), March, p. 1323

**nuclear medicine**

radionuclide imaging in the evaluation of heart disease (article), January, p. 221

**nutrition**

ACOG report targets nutrition in women (med rep), May 1, p. 2345

breast feeding and other aspects of infant nutrition (let), February 15, p. 785

sorbitol-based elixirs, diarrhea and enteral tube feeding (let), May 1, p. 2084

**O****obesity**

management of obesity: medical treatment options (article), February 1, p. 551

**obstetrics**

management of postpartum hemorrhage (article), February 1, p. 635

rural practice and obstetrics fellowships for family physicians (let), June, p. 2603

**occupational medicine**

challenges of work-related upper extremity disorders (ed), March, p. 1029

new recommendations for prophylaxis after HIV exposure (article), February 1, p. 507

**office procedures**

use of sedation and local anesthesia to prepare children for procedures (article), February 15, p. 909

using local anesthetics to expel foreign objects in the foot (let), March, p. 1073

**orgasm**

spontaneous male orgasm in association with venlafaxine (let), April, p. 1561

**os peroneum**

fracture of the os peroneum: an unusual cause of foot pain (let), June, p. 2610

**osteoporosis**

ACR recommendations target prevention and treatment of glucocorticoid-induced osteoporosis (med rep), March, p. 1450  
osteoporotic vertebral fractures in postmenopausal women (article), March, p. 1315

**ovarian neoplasms**

ascites and malignant ovarian neoplasms (let), June, p. 2612

**P****Papanicolaou smear**

controversies in women's health maintenance (article), March, p. 1283  
high stakes in everyday choices: preventive medicine for women (ed), March, p. 1039  
issues in the management of human papillomavirus genital disease (article), April, p. 1813

**patient information (see subject index for patient education handouts, p. 2905)****peptic ulcer disease**

treatment strategies for *Helicobacter pylori* infection (article), June, p. 2765

**peripheral edema**

peripheral edema (article), April, p. 1721

**physician-assisted suicide**

euthanasia and assisted suicide: a family practice perspective (med soc), May 15, p. 2437

physician-assisted suicide: a very personal issue (ed), May 15, p. 2421

**physician-patient relationship**

counseling adolescents about responsible sexual behavior (let), June, p. 2606  
special health considerations in African-American elders (article), March, p. 1243

**pneumococci**

AAP establishes treatment recommendations for invasive pneumococcal infections (med rep), June, p. 2859

resistant pneumococci: protecting patients through judicious use of antibiotics (article), April, p. 1647

**polio**

a tale of two polio vaccines: what's best and for whom? (ed), March, p. 1048

**polydipsia**

evaluation and management of diabetes insipidus (article), May 1, p. 2146

**polyuria**

evaluation and management of diabetes insipidus (article), May 1, p. 2146

**portal hypertension**

management of portal hypertension and esophageal varices in alcoholic cirrhosis (article), April, p. 1851

**postmenopause**

controversies in women's health maintenance (article), March, p. 1283  
osteoporotic vertebral fractures in postmenopausal women (article), March, p. 1315

**postpartum hemorrhage**

management of postpartum hemorrhage (article), February 1, p. 635

**pregnancy**

ACOG issues educational bulletin on maternal serum screening (med rep), March, p. 1454

criteria for gestational diabetes (let), April, p. 1583

ACOG releases a report on emergency oral contraception (med rep), April, p. 1976

counseling adolescents about responsible sexual behavior (let), June, p. 2606

induction of labor vs. antenatal monitoring in post-term pregnancy (let), May 15, p. 2428

Klebauer-Betke test for pregnant trauma patients (let), February 15, p. 781

management of diabetes in pregnancy (article), June, p. 2731

preventing perinatal HIV transmission: zidovudine use during pregnancy (article), January, p. 171

vacuum-assisted vaginal delivery (article), May 1, p. 2197

**prevention**

AAP and AAO release statement on protective eyewear for young athletes (med rep), February 1, p. 705

ACIP issues recommendations for hepatitis A prevention with active or passive immunization (med rep), February 15, p. 973

ACOG report targets nutrition in women (med rep), May 1, p. 2345

putting preventive cardiology into practice (ed), February 1, p. 436

controversies in women's health maintenance (article), March, p. 1283

gun safety education (let), March, p. 1074

high stakes in everyday choices: preventive medicine for women (ed), March, p. 1039

recommendations of the U.S. Preventive Services Task Force (ed), February 1, p. 426

U.S. Preventive Services Task Force: highlights of the 1996 report (article), February 1, p. 567

**procedures**

endometrial biopsy (article), April, p. 1731

endoscopic ultrasonography: a new diagnostic imaging modality (article), May 1, p. 2219

mammography interpretation: the BI-RADS method (ed), April, p. 1548

nerve blocks for regional anesthesia of the face (article), April, p. 1701

use of sedation and local anesthesia to prepare children for procedures (article), February 15, p. 909

using local anesthetics to expel foreign objects in the foot (let), March, p. 1073

vacuum-assisted vaginal delivery (article), May 1, p. 2197

**protective eyewear**

AAP and AAO release statement on protective eyewear for young athletes (med rep), February 1, p. 705

**psychiatric disorders**

ADHD: how school psychologists can help (ed), February 15, p. 773

evaluation and management of attention-deficit hyperactivity disorder (article), February 15, p. 887

**psychostimulants**

optimizing ADHD therapy with sustained-release methylphenidate (article), April, p. 1705

**pulmonary edema**

use of morphine sulfate for acute pulmonary edema (let), April, p. 1561

**pyomyositis**

pyomyositis without predisposing factors (let), April, p. 1579

**R**

**race**

special health considerations in African-American elders (article), March, p. 1243

**radiation therapy**

adjuvant therapy for colon and rectal cancer (article), May 15, p. 2487

**rearfoot deformities**

the painful foot, part II: common rearfoot deformities (article), May 1, p. 2207

**rectal cancer**

adjuvant therapy for colon and rectal cancer (article), May 15, p. 2487

American Gastroenterology Association issues guidelines for colorectal cancer screening (med rep), June, p. 2860

**renovascular hypertension**

captopril renal scintigraphy in renovascular hypertension (article), May 1, p. 2240

special health considerations in African-American elders (article), March, p. 1243

**repetitive motion disorder**

challenges of work-related upper extremity disorders (ed), March, p. 1029

non-specific work-related upper extremity disorders (article), March, p. 1296

**respiratory syncytial virus**

respiratory syncytial virus bronchiolitis (article), March, p. 1139

**review articles**

getting the most from review articles: a guide for readers and writers (article), May 1, p. 2155

reading and evaluating clinical review articles (ed), May 1, p. 2064

**running**

common overuse running injuries: diagnosis and management (article), May 15, p. 2473

**rural health care**

rural practice and obstetrics fellowships for family physicians (let), June, p. 2603

**S**

**safety**

gun safety education (let), March, p. 1074

safety in the day care setting (let), May 1, p. 2086

**salpingography**

the role of hysterosalpingography in the evaluation of infertility (article), February 1, p. 621

**scintigraphy**

captopril renal scintigraphy in renovascular hypertension (article), May 1, p. 2240

**scoliosis**

screening for idiopathic adolescent scoliosis (let), March, p. 1073

**sedation**

use of sedation and local anesthesia to prepare children for procedures (article), February 15, p. 909

**selective serotonin reuptake inhibitors (SSRIs)**

major depression: assessing the role of new antidepressants (article), January, p. 249

**serotonergic drugs**

management of obesity: medical treatment options (article), February 1, p. 551

**serum markers**

using serum markers in the early diagnosis of myocardial infarction (article), June, p. 2667

**sexually transmitted disease**

behavioral and psychiatric aspects of HIV infection (article), March, p. 1227

changes in strategies for human papillomavirus genital disease (ed), April, p. 1545

counseling adolescents about responsible sexual behavior (let), June, p. 2606

famciclovir: a new systemic antiviral agent for herpesvirus infection (article), May 15, p. 2501

HIV databases and flowcharts are useful tools ... but (ed), May 1, p. 2027

issues in the management of human papillomavirus genital disease (article), April, p. 1813

new recommendations for prophylaxis after HIV exposure (article), February 1, p. 507

preventing perinatal HIV transmission: zidovudine use during pregnancy (article), January, p. 171

sexual transmission of giardiasis (let), February 1, p. 442

standardized forms to use in the management of HIV infection (article), May 1, p. 2166

**sickle cell disease**

American Academy of Pediatrics publishes guidelines on the management of sickle cell disease (med rep), April, p. 1973

**sickle cell trait**

sudden exertional death and sickle cell trait (let), February 15, p. 784

**smoking cessation**

helping your patients to quit smoking (article), March, p. 1207

**sore throat**

an approach to diagnosing the acute sore throat (article), January, p. 131

**sprains**

strengthening exercises and support devices for ankle sprains (let), March, p. 1086

**steroids**

ACR recommendations target prevention and treatment of glucocorticoid-induced osteoporosis (med rep), March, p. 1450

safely withdrawing patients from chronic glucocorticoid therapy (article), February 1, p. 521

**strabismus**

therapeutic uses of botulinum toxin (article), February 1, p. 541

**streptococcal disease**

emerging infectious diseases: a challenge to all (article), January, p. 111

**streptococcus**

an approach to diagnosing the acute sore throat (article), January, p. 131

**stress fracture**

common overuse running injuries: diagnosis and management (article), May 15, p. 2473

**stroke**

brain attack: emergency treatment of ischemic stroke (article), June, p. 2655

stroke rehabilitation (article), April, p. 1742

thrombolysis for acute stroke: a new era in treatment (ed), June, p. 2590

**subarachnoid hemorrhage**

diagnosis of spontaneous subarachnoid hemorrhage (article), January, p. 145

**substance abuse**

helping your patients to quit smoking (article), March, p. 1207

naltrexone in alcohol dependence (article), April, p. 1877

treatment of alcohol withdrawal (let), February 15, p. 786

**T**

**thrombolysis**

thrombolysis for acute stroke: a new era in treatment (ed), June, p. 2590

**tobacco**

helping your patients to quit smoking (article), March, p. 1207

**total contact cast**

the total contact cast: a method for treating neuropathic diabetic ulcers (article), February 1, p. 394

total contact casting: an underused intervention (ed), February 1, p. 425

**trauma**

evaluation and management of facial fractures (article), June, p. 2675

Kleibauer-Betke test for pregnant trauma patients (let), February 15, p. 781

nerve blocks for regional anesthesia of the face (article), April, p. 1701

## **U**

### **ultrasound**

endoscopic ultrasonography: a new diagnostic imaging modality (article), May 1, p. 2219

### **urinary incontinence**

role of pharmacotherapy for urinary incontinence (let), April, p. 1574

## **V**

### **vaccine**

AAFP, AAP and ACIP release 1997 childhood immunization schedule (med rep), January, p. 342

AAP develops guidelines for hepatitis A vaccine and immune globulin in children (med rep), May 15, p. 2535

ACIP issues recommendations for hepatitis A prevention with active or passive immunization (med rep), February 15, p. 973

ACIP issues update on potential adverse events from vaccines (med rep), February 1, p. 702

assuring up-to-date immunization of children aged 11 to 12 years (ed),

January, p. 31

a tale of two polio vaccines: what's best and for whom? (ed), March, p. 1048

immunization of adolescents (article), January 1997, p. 159

varicella vaccination guidelines for adolescents and adults (article), March, p. 1220

### **vaginal delivery**

vacuum-assisted vaginal delivery (article), May 1, p. 2197

### **varicella**

varicella vaccination guidelines for adolescents and adults (article), March, p. 1220

### **venlafaxine**

spontaneous male orgasm in association with venlafaxine (let), April, p. 1561

### **venous thromboembolic disease**

deep venous thrombosis of the upper extremity (article), February 1, p. 533

### **vertigo**

Meniere's disease: differential diagnosis and treatment (article), March, p. 1185

### **vision screening**

AAP issues guidelines for vision screening in infants, children and

young adults (med rep), January, p. 346

### **vitamin E deficiency**

neurologic findings in vitamin E deficiency (article), January, p. 197

## **W**

### **WD-40**

WD-40 and arthritic pain: the squeaky joint gets the grease (let), April, p. 1584

### **weight control**

management of obesity: medical treatment options (article), February 1, p. 551

### **work-related injuries**

challenges of work-related upper extremity disorders (ed), March, p. 1029

nonspecific work-related upper extremity disorders (article), March, p. 1296

### **wrist injuries**

common wrist injuries (article), February 15, p. 857

## **Z**

### **zidovudine**

preventing perinatal HIV transmission: zidovudine use during pregnancy (article), January, p. 171

## Patient Information Index

### **addictions**

naltrexone for alcoholism, April, p. 1883

quitting smoking: how to increase your chance of success, March, p. 1217

### **arthritis**

how to stop taking steroid medicines safely, February, p. 529

### **asthma**

eight questions to ask when your asthma doesn't get better, January, p. 192

how to stop taking steroid medicines safely, February, p. 529

### **cancer**

chemotherapy and radiotherapy for cancer of the colon or rectum, May 15, p. 2495

### **circulatory system**

understanding portal hypertension, April, p. 1861

### **diabetes**

diabetes insipidus, May 1, p. 2153

the total contact cast: what it is and why it's used, February 1, p. 615

what to do when you have gestational diabetes, June, p. 2742

### **digestive system**

things to know about heartburn, January, p. 217

### **ears**

how to cope with Meniere's disease, March, p. 1193

### **feet**

the total contact cast: what it is and why it's used, February 1, p. 615

### **female reproductive system**

how to manage menopause, April, p. 1679

### **flu and colds**

bronchiolitis in babies, March, p. 1149

when you have a sore throat, January, p. 141

you, your family and antibiotics: the untold story, April, p. 1657

### **gastrointestinal disorders**

irritable bowel syndrome, February 15, p. 883

things to know about heartburn, January, p. 217

treating stomach ulcers and *H. pylori* infection, June, p. 2784

when your baby has colic, January, p. 245

### **infections and viruses**

bronchiolitis in babies, March, p. 1149

cat-scratch disease, April, p. 1793

coping with HIV infection, March, p. 1241

finding out about hepatitis C, June, p. 2759

medicines for people who are HIV positive, May 1, p. 2182

treating stomach ulcers and *H. pylori* infection, June, p. 2784

when you have a sore throat, January, p. 141

you, your family and antibiotics: the untold story, April, p. 1657

### **injections**

botulinum toxin injections: a treatment for muscle spasms, February 1, p. 548

### **lungs (respiratory) system**

bronchiolitis in babies, March, p. 1149

eight questions to ask when your asthma doesn't get better, January, p. 192

### **medicines**

antidepressants—medicine for depression, January, p. 259

depression—how medicine can help, April, p. 1695

how to stop taking steroid medicines safely, February, p. 529

how to take medicine for ADHD (attention-deficit hyperactivity disorder), April, p. 171

medical help for chronic pain, March, p. 1165

medicines for people who are HIV positive, May 1, p. 2182

naltrexone for alcoholism, April, p. 1883

using medicines to help you lose weight, February 1, p. 561

you, your family and antibiotics: the untold story, April, p. 1657

### **men's health**

gynecomastia: when breasts form in males, April, p. 1849

### **mental health**

antidepressants—medicine for depression, January, p. 259

depression and Alzheimer's disease, June, p. 2703

depression—how medicine can help, April, p. 1695

how to take medicine for ADHD (attention-deficit hyperactivity disorder), April, p. 1711

**mouth, teeth and throat**

when you have a sore throat, January, p. 141

**musculoskeletal disorders**

botulinum toxin injections: a treatment for muscle spasms, February 1, p. 548  
preventing overuse injuries from running, May 15, p. 2481

think before you lift, February 1, p. 601

**newborns, infants and children**

bronchiolitis in babies, March, p. 1149  
HIV and pregnancy: what is the risk to my baby?, January, p. 177

how to take medicine for ADHD (attention-deficit hyperactivity disorder), April, p. 1711

managing the child with ADHD, February 15, p. 902

mushroom poisoning in children, April, p. 1797

stool soiling in children, May 1, p. 2237  
when your baby has colic, January, p. 245

**obesity**

using medicines to help you lose weight, February 1, p. 561

**occupational exposure**

advice for health care workers: what to do for possible occupational exposure to HIV, February 1, p. 515

**pregnancy**

HIV and pregnancy: what is the risk to my baby?, January, p. 177  
what to do when you have gestational diabetes, June, p. 2742

**prevention**

coping with HIV infection, March, p. 1241  
depression—how medicine can help, April, p. 1695

medical help for chronic pain, March, p. 1165

preventing overuse injuries from running, May 15, p. 2481

think before you lift, February 1, p. 601

tips for staying healthy, February 1, p. 581

**procedures**

chemotherapy and radiotherapy for cancer of the colon or rectum, May 15, p. 2495

fine-needle aspiration, February 15, p. 853

**respiratory diseases**
